Property Description

This is a unique opportunity to become owner of an exclusive property located in the first line to the sea with direct access to the sea. On one side you are surrounded by a pine forest and on the other you have the coastline with the mediterranean sea. It is a complete renovation project where the renovations license has been approved. The project has been designed by the well known architect Rolf Blakstad which reflects the Mediterranean feeling. As

the original footprint has to remain you will benefit from a main house with five bedrooms and four bathrooms, a living room with an open plan kitchen as well as an annex with two bedrooms. In this exclusive estate privacy is guaranteed and there are as well a lot of possibilities to develop the landscaping and plant more fruit trees or do a vegetable garden. This is a unique possibility for island lovers who want to create something special.
