Property Description

Can Yaro is an extraordinary country villa located in the countryside in-between Ibiza Town, San Rafael and the village of Santa Gertrudis.

This newly refurbished villa is set over two floors and a basement with multiple, large entertaining spaces. It provides a total of nine bedrooms, all rooms ensuite. The huge double wooden entrance door opens onto a double height entrance hall. To the right you find a sumptuous cozy living room with TV and an open fireplace. Across the hall, a separate formal dining room opens up to a shaded exterior dining area and an enormous fully equipped kitchen which was completely modernized in 2023. From the kitchen, there is a fully-equipped laundry room adjoining featuring a separate staff entrance and a further smaller bedroom with bathroom ensuite for staff.

On the upper floor, four bedrooms are set around the circular mezzanine floor overlooking the vestibule and main doors. This floor hosts a spectacular master suite with an open fireplace, a large dressing room, a luxurious bathroom with jetted tub and a small private balcony overlooking the pool area. From the roof top terrace, one discovers a stunning 360° view over the countryside,

the sea, Dalt Vila and Formentera. A garage with its two automatic doors provides room for four cars and enough space to store bikes, motorcycles and sports equipment. Can Yaro is surrounded by palm trees, tropical plants, a large orchard with more than 50 fruit trees and an olive grove with over 80 olive trees for its own olive oil production.

To the front of the property is a wonderful newly built L-shaped and child-friendly swimming pool with a luxury in-ground hot tub for five persons. A fabulous “event-style” outdoor kitchen fully equipped with a big BBQ area, gas grill, wood oven for pizza and bread and a beautiful dining pavilion adjacent to the main villa complete this dream destination. The basement features a wonderful fun leisure zone with an illuminated dance floor with disco ball and fog machine, DJ booth, professional bar, open fireplace, billiard / games room and seating area. There is direct access from the exterior to the fully equipped party room. This large space also has a wine cellar, a sauna room with a sauna cabin and shower and a separate guest toilet.

This is the perfect villa for a large family, or someone who loves living life to the full, or both!
