Property Description

This unique property has been conceived as a haven of peace in one of the most exclusive areas of Ibiza. It is an authentic, carefully restored estate, situated in a privileged natural setting, blending the island's traditional charm with the highest standards of comfort and privacy. The property is divided into two independent residences, designed with intimacy and well-being in mind. The main house welcomes visitors with a traditional porch leading to an elegant living-dining room with a fireplace, two en-suite bedrooms with walk-in closets, a reading room, a third en-suite bedroom, and a spacious, bright, and functional kitchen. Both the kitchen and living room open to the main pool, enhancing the calm and balance that define the property. The second residence offers three bedrooms, two additional bathrooms, an exterior en-suite bedroom, and a second pool, ideal for more intimate relaxation. In total, the estate features eight bedrooms and nine bathrooms, all designed with meticulous

attention to detail. Two fully equipped kitchens and auxiliary spaces such as an independent studio and rooms for art, meditation, or remote work complete the experience. The outdoor areas extend the lifestyle this property offers: Tuscan-inspired terraces, outdoor kitchens, barbecue areas, a serene fish pond, and a birdcage surrounded by gardens that reveal private corners and pathways to reconnect with nature. Its strategic location, close to Sant Josep de Sa Talaia and beaches like Cala Comte, Cala Bassa, or Cala Tarida, allows for a perfect balance between tranquility and access to the southwest's main attractions. Heritage elements such as sabina beams, natural stone floors, and a handcrafted sundial give character to every space, creating an atmosphere where tradition and elegance coexist in perfect harmony. This finca is more than just a residence; it is a lifestyle that captures the true essence of Ibiza.
