Property Description

Step into a beautifully reimagined traditional Ibiza-style finca, where authentic charm meets cutting-edge design. This finca combines modern elegance with rustic soul — from the seamless micro cement flooring to thoughtful details like a round, cozy fireplace at the heart of the living room and a carefully designed lighting plan that adds warmth and atmosphere throughout the house.

The property features seven spacious bedrooms, each with a bathroom and air conditioning. The master suite boasts a private balcony overlooking the pool and a generous walk-in closet.

True to the island's spirit, this finca is full of surprises: in the backyard, you'll find two natural caves transformed into a spa and a stunning wine cellar with tasting area.

The estate also includes two guest casitas: one with a bedroom and bathroom, the other with two bedrooms and a bathroom. Both guest houses follow the same elegant design language as the main house, with no detail overlooked.

Outdoors, you'll find a generous pool area and a fully equipped outdoor kitchen — an ideal space for summer barbecues and long, relaxed evenings with friends and family.

If you're seeking a traditional Ibiza finca with modern, cozy design woven into every detail — one that offers privacy without isolation — this is your island dream come true.
