The property combines spaciousness, privacy, and a Mediterranean lifestyle, offering an ideal home for those seeking a stylish retreat oasis with diverse development potential on the island. The main house features five bedrooms and four bathrooms, as well as spacious living areas that impress with their open layout and light-filled atmosphere. The heart of the house is the elegant living room with an impressive ceiling height, a beautiful panoramic view, and fireplace, which thanks to the large glass fronts offers a dreamy view of the surrounding nature. Furthermore, there is a staff apartment with individual entrance, equipped with two bedrooms and a bathroom. A spacious garage for three vehicles, as well as a carport and numerous additional parking spaces complete the offer. Thanks to the own well, the water supply of the property is independent and sustainable.
