Property Description

This charming oasis is nestled on a quiet side road at the end of Ibiza's industrial area, known as "Can Bufi". Upon entering the property, you'll discover a cozy courtyard with trees that leads to the main entrance of the house and the pool area. The property features three bedrooms with one bathroom on the ground floor and a guest studio with living room, kitchenette, and bathroom with individual access on the first floor. The living spaces are divided into a spacious living room with a fireplace and a kitchen with dining area

and access to the outdoor spaces. The pool area offers ample space for sun loungers and a shaded dining area surrounded by vibrant bougainvillea flowers. From the rooftop, enjoy panoramic views of the lush surroundings and the mountains. One of the property's greatest assets is its secluded location, providing ultimate privacy and tranquility, yet it's just a short drive to Ibiza Town, the marina, and the airport. The property also includes a garage for added convenience
