Property Description

Located within the exclusive gated community of Roca Llisa, this bright and modern presented apartment offers generous indoor and outdoor living spaces with open views over the surrounding residential area and the nearby golf course.

The property features approximately 112 m² of interior living space complemented by an impressive terrace of nearly 80 m², perfectly oriented to the south-east. Thanks to this orientation, the apartment enjoys abundant natural light and sunshine throughout the day, while the surrounding vegetation provides pleasant shade and privacy during the warmer months.

The layout is both functional and inviting. Upon entering, you are welcomed by a spacious open-plan living and dining area with an integrated kitchen, creating a comfortable and social atmosphere ideal for everyday living as well as entertaining.

The apartment offers three bedrooms in total. The master bedroom features its own en-suite bathroom, while the two additional bedrooms share a second generously sized bathroom. Ceiling fans in the master bedroom, along with air conditioning and heating throughout the property, ensure year-round comfort.

The property was renovated in 2025, giving it a fresh and modern feel while maintaining a warm and welcoming ambiance.

A particularly attractive feature is the private covered parking space. If desired, it would be technically possible to create a direct internal access from the parking space into the apartment, further enhancing convenience and privacy. Additional parking is also available along the nearby street, providing space for visitors or extra vehicles.

In addition to the main terrace connected to the living area, the entrance of the apartment also offers another spacious outdoor area, adding to the overall sense of openness. The terrace itself provides open views across the surrounding landscape and the golf course, offering a peaceful setting to enjoy outdoor dining or relaxing afternoons.

This property represents an excellent opportunity for those seeking a bright, spacious and well-located apartment within one of Ibiza's most desirable residential communities.
